

COMPANY PROFILE

TRAVEL & DESTINATIONS

“Travel is an experience; a time to work, learn and enjoy. You want to feel good about the people you buy from - not only financially, but knowing that you are really getting what you want; the best advice and the most suitable products and services tailored for you.”

AFFILIATIONS

IATA is an international trade body, created over 60 years ago by a group of airlines. Today, IATA represents some 230 airlines comprising 93% of scheduled international air traffic. The organization also represents, leads and serves the airline industry in general.

OVERVIEW

A TRAVEL COMPANY OF CHOICE

“We began our operations in July 2002 with a commitment of providing comprehensive and effective travel services”

Travel & Destinations has been providing specialized Corporate Travel Management services and worldwide holiday package to a wide spectrum of companies for over 12 years. We constantly strive to innovate our services to provide our customers a complete package of up to date value added solutions to meet our customers need.

Our team consists of experienced, dedicated and expert travel professionals who are up-to-date with latest information in airlines and related industry sectors to take you through seamless and efficient travel reservation process. These professionals are also constantly trained to use the latest travel software for checking of most suitable flight options, best fares and making online reservations.

We understand that the travel cost is a company's second largest administrative expense and in a dynamic travel environment having access to experienced travel management professionals to manage and negotiate travel-related services provides quantifiable financial benefits to the corporate.

“But above all our values inspire the way we serve our customers, who rely on Travel & Destinations professionals as a true partner in their business success. We not only provide them with the absolute best products, technology and service, but we listen to them, respond quickly to their current needs, anticipate future needs, and earn their business every day.”

SERVICES

CORPORATE TRAVEL MANAGEMENT SERVICES

We provide valuable turnkey corporate travel services including a wide range of options for a comprehensive approach to travel management. This includes:

Corporate Travel Planning and Reservation: Our key mission is to deliver professionally managed travel planning and reservation services to our clients. We leverage on the up-to-date industry knowledge that our travel experts possess along with use of leading edge technology to bring value and ease to your travel experience. We will provide you with a dedicated team specialized in planning and booking of domestic and international trips in line with your requirements. Our approach to travel program optimization will ensure maximum value for your travel spends.

Visa Services: The expert team at Travel & Destinations understands the need of proper documentation while applying for your Travel Visa. Our constant interaction with Embassies and Consulates helps us to understand most recent visa regulations, documentation, timelines which is shared with you while applying for travel visa. We strive to eliminate the risks resulting from improper documentation. We also understand the urgency of last minute trips and are well prepared to handle any such chaotic situation with minimum turnaround time. We have an in-house team of dedicated, reliable and experienced Visa services staff to provide you with quick and hassle free service.

“Our Business ensures we are as responsive as possible to the needs of each individual customer. The operating structure of the company is simple - we delegate as much autonomy, responsibility and authority as close to the action as possible.”

Hotel Reservations: We can assist you with hotel room and meeting room bookings through our partner network of international and domestic hotels across the globe.

We have tie-ups with hotels across different star categories and arrange for best booking rates as per the hotel category.

Car Rental Services: The team at Travel & Destinations can assist you with booking of required car rental services for your local and international trips, during holiday tours, airport pickup and drop or as a standalone service.

MICE: Incentive travel can help an organization achieve its business goals, such as increasing sales, reducing employee turnover and improving company morale. Incentive travel utilizes unique travel experiences to motivate and recognize employees for outstanding performance. Travel & Destinations incentive travel specialists can show you how you can improve your bottom line with incentive travel programs.

Whether you're a small organization that lacks in-house resources or a large organization that needs some knowledgeable specialized assistance, we can be of service. Our goal is to work behind the scenes to make sure all the logistical details are arranged and that your attendees experience a perfect event.

At Travel & Destinations we understand that your event is not just another meeting or incentive program. Our years of experience and industry relationships allow us to provide our clients with exemplary service and unparalleled results.

Exclusive Holiday Tour Packages (domestic and international locations): Travel & Destinations offers worldwide choice of holiday destinations for you to pick and choose from. Be it backwater and pilgrimage destinations in India or adventure and honeymoon destinations in International locations our travel experts offer personalized services to make your holiday a memorable one. We will take care of all your vacation needs. Be it suggesting destinations, booking air tickets, hotel rooms, hiring of car rental services, visa and passport assistance - we will ensure that you get the best of services through our travel experts and the extensive relationships they have with worldwide leisure partners, airlines and hotels.
